Cornelus Pass Public Meetings and Updates

(the referenced "attached brochure" is not attached. This link https://multco.us/roads/webform/cornelius-pass-road-safety-improvements has details of the Corn Pass construction - project maps, detours, timelines etc - with a way to submit questions and comments, and a link to sign up for email alerts. Laurel Erhardt, SRN)

Following is the email notice from Mike Pullen, Mult Co. Communications Officer:

Attached is a brochure with our latest update on this summer's NW Cornelius Pass Road construction. We are mailing this information to a wide area to get the word out about the project and upcoming public meetings. Here are some highlights:

- Schedule: We expect our contractor Wildish Standard Paving will close the road to through traffic in early July and reopen it by Sept. 21. The closure is now expected to last about 11 weeks, down from the 13 weeks we were predicting earlier this year.
- Public meetings: Before construction, we will hold a public meeting in each of the three counties impacted by the project, to share information and answer questions. Each meeting is from 6 - 7:30 pm. The meetings are on:
    - June 5, Skyline Elementary School Gym, 11536 NW Skyline Blvd.
    - June 11, Scappoose High School Auditorium, 33700 SE High School Way, Scappoose
    - June 17, Westview High School Cafeteria, 4200 NW 185th Ave., Portland
- Increased Truck Traffic: Cornelius Pass Road users will

notice more dump truck traffic on the road starting this week, as Intel begins construction of a new fabrication facility in Hillsboro. The trucks take fill to Columbia County sites and bring in gravel from Columbia County. The trucks will detour to highways after Cornelius Pass Road closes in early July.

Portland Parks & Rec at Forest Park Meeting

At the recent wildfire presentations about creating defensible space presented by Skyline Grange, some folks had questions about what Portland Parks & Rec is doing to limit wildfire risk in Forest Park.

At the June 18 Forest Park Neighborhood meeting, some of the wonderful people from Portland Parks & Recreation staff who take care of Forest Park have been invited to talk about their current projects. They can also answer questions about how they work to limit wildfire risk in the park.

Folks who are interested in more information about this topic are welcome to come to our meeting.

The meeting will be Tuesday June 18 at 7PM. The meeting location is Skyline Memorial Gardens, 4101 NW Skyline Blvd. It is located on Skyline between NW Thompson and NW Springville Roads. Please use GATE 2 – this is the northern gate, which will take you directly down to the parking lot, and the building we meet in is right next to the parking lot. There are markers at this entrance that say “Gate 2”. If you use the other gate there is a long circuitous drive and you are likely to have difficulty finding us.

LAND USE

West of 17622 NW St Helens Road

Case Number: T2-2019-11541 (677.01 KB)

Proposal: Request for a Willamette River Greenway permit to conduct restoration work as part of the to McCarthy Creek Restoration Project.

Presentation: Basic Home Canning Series Part 1: "Jam Making"

Wednesday, June 12, 2019 6 pm - 9 pm

Attend this workshop to learn how to easily and safely make jam from local berries. We are fortunate to have Betsy Walton present. She is a Skyline area resident, local pickle maker, an OSU Master Food Preserver, and was owner of "Our Favorite Foods LLC". Class is limited to 7 participants. Pre-registration is required by emailing skylinegrange894@msn.com. Provide name, phone, email, address, and indicate degree of experience with canning. Register soon, for it is a first come, first served basis. There will be a fee of $10 to offset cost of supplies. You will go home with some freshly canned strawberry jam. Mmmm.
