MULTNOMAH COUNTY

CAPITAL IMPROVEMENT PLAN

It's not every day you can help Multnomah County plan the next 20 years of road improvements

Share what's important to you as the County considers future road improvements: Visit the online open house at www.multco.us/CIPP between Feb. 4 and March 4.

You can also tell us what you think in person at a public open house meeting. Drop-in anytime between 5:30 and 7:30 p.m. at one of the meetings listed below.

- Wood Village Baptist Church
- 23601 NE Arata Rd., Wood Village
- Monday, Feb. 4, 5:30 - 7:30 p.m.
-
- Corbett Fire Hall
- 36930 Historic Columbia River Hwy., Corbett
- Tuesday, Feb. 5, 5:30 - 7:30 p.m.
-
- Sauvie Island Grange
- 14443 NW Charlton Rd., Portland
- Wednesday, Feb. 6, 5:30 - 7:30 p.m.

What to expect

Every few years, Multnomah County updates a 20-year plan of roads to improve. Crosswalks and signals, guardrails, wider shoulders, turn lanes, bicycle and walking paths, and more — your voice can shape what's built five, 10 and 20 years from now.

With help from your feedback last spring, the County has drafted lists of projects and trial projects. Come see what's on the lists.

- Learn why and how the County updates the road plan. Look at displays and talk with hosts (if you attend in person).
- Tell the County:
 - Whether you agree with how projects were chosen
 - Which projects on the lists are most important to you
 - Whether you feel anything is missing from the lists

Which kinds of road projects are included?

The Roads Capital Improvement Plan is about improving roads with added features such as guardrails or wider shoulders. Maintaining roads, such as filling potholes, has a separate plan and separate funding. Projects included in the RCIP could include:

- Widening roads for more lanes (lanes to travel in, or turn lanes)
- Widening shoulders for people walking and biking
- Adding signals or other projects to make intersections easier and safer
- Guardrails
- Multi-use paths
- Culvert replacements
- Bridge improvements
