Siri Still Missing

I know that the assumption in our rural area when pets go missing is to assume that they have fallen prey to predators. However in Siri's case there is some pretty solid evidence that he was stolen.

Please don't hesitate to spread the word. This happened on June 2nd very near the 14 mile post on Skyline between 7:30 and 8:00 pm. If you saw or know of anything or anyone suspicious at that time and location, please let the owners know.

Found - Three Chickens

A Neighbor reported on June 5th:

Three flighty little bantam hens showed up in our front pasture on McNamee Rd on June 3rd. Contact me if you are missing them. 503.515.7748
