This Week In Roads

[AT&T is relocating fiber optic cables along Cornelius Pass Road](#) through the end of November. This is not a county project.
November 15, 2018

Drivers should expect delays on NW Cornelius Pass Road through November, as AT&T is relocating its fiber optic utilities in advance of the Cornelius Pass Safety Improvement project.

The work is occurring at three locations with flagging hours limited to 9 a.m. to 3 p.m. or 9 p.m. to 6 a.m.

- 1) NW Cornelius Pass and NW Kaiser
- 2) Near Milepost 4 on NW Cornelius Pass
- 3) Near NW Cornelius Pass and NW 8th Ave

Flaggers will direct traffic on the single open lane during work hours. During non-work hours, both lanes will be open. The roads will always remain open.

AT&T is estimating to have majority of the work completed by

Nov. 30. However, they are permitted to finish the work no later than Jan. 30, 2019.

If you have questions or concerns about about AT&T's utility relocation work specifically, please call [360-921-2603](tel:360-921-2603).
