## **A Request from our Neighbor Barbara LaMorticella**

Let's let our congresspeople and public officials know our rural neighborhood's difficulty in using the internet for work, homeschooling, shopping, downloading video, and accessing information. There's interest in holding a public meeting to discuss our current situation with legislators and enlist them in working with us to get faster, more reliable and affordable internet service. If you'd be interested in a meeting, email me at [barbala@teleport.com](mailto:barbala@teleport.com) with the subject line "Improved Internet Service." (Be sure to use this subject line or I might not find it!) And please pass this information along to any interested neighbors- the more people sign on, the louder the wake-up call to our legislators and potentially interested companies.
