NEIGHBORHOOD NEWS

RACHEL ARMITAGE APPOINTED TO OREGON SENATE for DISTRICT 16
County Commissioners of Clatsop, Columbia, Multnomah, Tillamook, Washington and Yamhill voted to appoint Rachel Armitage as state senator to complete the term of Betsy Johnson who has stepped down. Ms. Armitage lives in Warren. The term runs through 2022. She will serve on the Joint Ways and Means Subcommittee on General Government. She previously worked as a Legislative Assistant in the 2016 and 2017 legislative sessions, focusing on constituent service and issues such as education, and rights for foster youth. This experience should allow her to hit the ground running in the Legislature with a focus on jobs and housing. She says, "Our community needs a leader in Salem who brings us together even when we have strong disagreements—who will be an independent voice for rural Oregonians."

TVF&R KICKS OFF COMMUNITY RISK REDUCTION WEEK CAMPAIGN

Monday, January 17, will mark the start of Community Risk Reduction (CRR) Week, a grassroots effort lead by members of the nation's fire service to encourage fire prevention and life safety education with the goal to reduce the occurrence and impact of emergency events. The best way to keep the public and our first responders safe from emergency events is to prevent them from happening in the first place.

In honor of CRR Week, TVF&R will share information daily on our social media platforms focusing on the five "E's" of CRR:

Education: What altering knowledge, attitudes, and awareness related to risks can do to impact behaviors.

Engineering: What technology solutions can do to help reduce risks of emergency events.

Enforcement: What passing, strengthening, or enforcing safety regulations can do to impact risks of emergency events.

Emergency Response: What can be done to provide the safest and most efficient emergency response.

Economic Incentive: What economic incentives or penalties could be used to encourage safer behaviors.

Please join us during CRR Week by focusing on ways you can help prevent emergencies before they happen. Let's get ahead of the 911 call, and keep our communities safe.

For information about CRR Week, visit www.crrweek.org.

For Immediate Release

The January meeting of the West Multnomah Soil & Water Conservation District (WMSWCD) Board of Directors will be held via Zoom on Tuesday, January 18, beginning at 6:00 p.m. We welcome the public to all District board meetings, and the meeting agenda allows time for public comment. Any person may attend the meeting and request to make public comment during the public comment period. A Zoom access code will be required to access the meeting. Interested participants may request the ID by emailing info@wmswcd.org with the subject line "Request for Conference ID" or by calling 503-238-4775 and leaving a voicemail message at extension 100, no later than 5:00 p.m. the day of the meeting.
At this meeting, the Board of Directors will participate in a gender awareness training; discuss the development of a leadership succession management plan; and bring into the public record a prior email discussion about the District's office relocation that constituted a public meeting that was not given proper notice. Regular business to be covered at the board meeting includes approval of the prior month's board meeting minutes and information on the previous month's financial reports. The agenda can be modified by the Board of Directors at any time during the meeting. The Board of Directors typically meets on the third Tuesday of the month at 6:00 p.m., and due to COVID-19 restrictions, in lieu of meeting in-person, meetings will be held virtually via Zoom until further notice. Documents for this meeting will be available for inspection on the District's webpage (https://wmswcd.org/people-places-things/people/board-meetings) the morning of the meeting. Special accommodations for attending may be arranged with advance notice by calling West Multnomah Soil & Water Conservation District at (503) 238-4775 and leaving a voicemail message at extension 100 or by emailing info@wmswcd.org no later than 5:00 p.m. the Thursday prior to the meeting. Visit wmswcd.org/ for more information about the West Multnomah Soil & Water Conservation District.
