Neighbor Reports Mailbox Fraud/Theft

One of our neighbors in the 13-14000 block on Skyline reports that he just learned, through his bank, that his Multnomah County Tax payment which was mailed in November, was stolen, altered and posted into a personal account.

American Legion Hall #172 on Quarry Rd

A Neighbor is asking - I wonder if anyone has any photos of the American Legion Hall #172 that used to be on Quarry Rd? It was torn down around 1999, but I am wondering if anyone has any photos of the building or knows approximately what year it was built?

PGE HEARING RE: ITS TRANSMISSION PROJECT IN FOREST PARK

Time: 9 a.m.
Where: By Zoom only Log onto the meeting at https://us06web.zoom.us/j/86844780162

- Portland General Electric has a 5-phase plan to upgrade transmission lines. It is seeking City approval for Phase 3 which involves upgrading an existing transmission line that connect the Harborborn Substation to the west and adding a new 1/4-mile line to increase reliability.
In its 94-page report, staff from Portland's Permitting & Development office recommends denying approval due to non-compliance with environmental review and standards.

- PGE and city staff will each get 30 minutes for an introductory statement, followed by public testimony, 3 minutes per person. There is no advance sign-up, people just put up their "raised hand" icon. The city will each have 15 minutes at the end of the hearing for rebuttal testimony.
