## February is LOVE SRN Month!!

Skyline Ridge Neighbors (SRN) is an all-volunteer neighborhood association. Our only source of income is your donations. As many of you know, we have missed our main fundraiser for SRN the past two years with the cancellation of our annual gathering and auction. We're so thankful for the generous contributions of community members who have donated to SRN over the past year. We consistently hear how much residents love our community and the beauty of our surroundings through the neighbor submitted articles in the Ridge Runner, communication via the Newsline, and casually bumping into neighbors in the community. With that spirit in mind we're kicking off 'LOVE SRN' month this February.

We have created an exciting new SRN sticker, t-shirt, hat, and tote bag. With a donation of \$10, you will receive one of the new SRN stickers as a thank you gift. With a donation of \$120, you will receive a sticker and your choice of either a t-shirt, hat, or tote bag. This is a great opportunity to show your love and pride of our community while also providing critical financial support to our organization. This support helps us maintain communication channels to the community through the Ridge Runner, Newsline, and Facebook pages, provide neighborhood clean up opportunities like SOLVE, and support neighborhood safety programs like NET and resident CPR training.

### PHOTO ALBUM FOUND

From our Neighbor. While walking on Skyline, near Beck Rd., I found a photo album scattered on the side of the road. Only family photos and the majority of photos are of young children. There's no name(s) on any of the photos. Not sure what to do with the album.

Thanks, Russell

Please let us know if you know who these might belong to by replying to this email.

### If you think it's a heart attack, call 911 right away

During American Heart Month, Tualatin Valley Fire & Rescue invites you to join us in raising awareness of the signs and symptoms of a heart attack and the importance of immediately calling 911 in the event you or someone nearby experiences symptoms.

Unlike a sudden cardiac arrest that strikes suddenly and includes a loss of consciousness, a heart attack can develop slow enough that you're not aware you're having a medical emergency. A heart attack occurs when the blood flow that brings oxygen to the heart muscle is severely reduced or cut off completely.

Symptoms typically include:

- **Chest discomfort** in the center of the chest that lasts for more than a few minutes or goes away and returns. It can feel like uncomfortable pressure, squeezing, fullness, or pain.
- **Upper body discomfort**, such as pain or discomfort in one or both arms, the back, neck, jaw, or stomach.
- **Shortness of breath** before, during, or after other discomforts.
- **Other signs**, including breaking out in a cold sweat, nausea, or lightheadedness.

The most common heart attack symptom for women and men is chest pain or discomfort. However, women are more likely to experience other symptoms, particularly shortness of breath, nausea or vomiting, back or jaw pain, pressure in the lower chest or upper abdomen, dizziness, fainting, or extreme fatigue. The heart is a muscle. It can deteriorate with each passing minute you delay medical treatment. Don't ignore your symptoms, and don't drive yourself to the hospital.

Firefighters often hear heart attack patients say, "I wasn't sure it was a heart attack," or "I didn't want to bother anyone."

Remember, TVF&R crews are here for you. Our highly trained firefighter paramedics can diagnose a heart attack and start treatment right away. Crews can also relay your EKG information to the hospital, enabling its staff to activate special heart teams and prepare for your arrival.

A heart attack can cause sudden cardiac arrest when the heart malfunctions and stops beating unexpectedly. Sudden cardiac arrest leads to death when the heart stops working properly. This can be reversed if CPR is performed and a defibrillator is used to shock the heart and restore a normal heart rhythm. Studies show that CPR can double or triple a cardiac arrest patient's chance of survival.

Your assistance in performing hands-only CPR until crews arrive can make a difference. Hands-only CPR has just two easy steps: Call 911 and push hard and fast in the center of the chest to the beat of the disco song "Stayin' Alive." For more information, visit [www.tvfr.com](http://www.tvfr.com).

### About the Newsline

Skyline Rural Watch Newsline is a part of Skyline Ridge Neighbors (SRN) and has been produced since June 1994 as a means to communicate neighborhood information. The Newsline is produced by Laurel Erhardt (editor) with help from Miles Merwin, Libby Merwin, and Sen Speroff.

The Newsline depends on you as a source of accurate information about local crimes, upcoming events, and other news pertinent to the area. If you have information you would like considered for the Newsline, you may do so by e-mailing the information to [newsline@srnpdx.org](mailto:newsline@srnpdx.org), or leaving a message at (503) 621-3501. Urgent, timely items (crimes, lost pets) should be emailed to [alert@srnpdx.org](mailto:alert@srnpdx.org). If you would like more detailed information about any item on the Newsline, request that information & SRN will e-mail it to you if available.

You can [subscribe to the Newsline](#) at the Skyline Ridge Neighbors website, SRNPDX.org. Tell your neighbors about this free Newsline service.

### About Skyline Ridge Neighbors

SRN is a neighborhood association serving much of unincorporated northwest Multnomah County and some adjacent areas within the city of Portland. SRN is registered as a neighborhood association within Multnomah County, registered as a non-profit public benefit corporation with the State of Oregon and approved as a 501(c)(3) non-profit organization under the IRS Code. SRN is operated by volunteers and with donated funds entirely.

If you would like to donate to SRN in support of its activities, such as this free Newsline service and the publication of its quarterly Skyline Ridge Runner, send your donation to "Skyline Ridge Neighbors", c/o Rachael Brake, 14109 NW Rock Creek Rd, Portland OR 97231. Contributions are tax deductible to the extent allowed by law.
