WATCH FOR TRAFFIC SLOWDOWNS that weekend and warn your guests as well. As you know, there are blind corners in that area and although there will be ample signage and personnel trying to get cars in the driveway quickly and out of the way, there WILL be traffic slowdowns and stoppage. Please be patient and lower your speed in the area.

Skyline Ridge Internet & Cellular Survey

The SRN board and Skyline Internet Committee believe that reliable internet and phone service are essential. We are gathering data on the current state of internet and cellular availability in our rural community and ask for your participation.

Our goal is to analyze this data and provide it to our local representatives to push for

equitable internet access for all. Please take a few minutes to fill out the survey below (one per household please). We respect your privacy - only aggregated, anonymized data will be reported.

Helpful hint- we'll be collecting upload and download speeds. Go to speedtest.net to gather this info before starting the survey.

Follow this link to complete the [online survey](#) or fill in the paper survey included with the July issue of the Skyline Ridge Runner. Thank you!
