Thank You Skyline Neighbors and Friends

A huge thank you to everyone that helped fill Jan Campbell's rig to the tippy top. With the expertise help of Rachael and Grant we managed to fit all of your amazing donations in and get them safely delivered to the Estacada Fire Relief Center. We were so impressed with everything that was offered at the relief center and all the volunteers and how smoothly they had the donation and distribution set up. They were very grateful for the shopping cart loaded with an array of meats, the laundry detergent, all the beautiful and varied vegetables and fruits and capping it off with \$120 cash donation. The pictures just don't do justice to the amount of food that you all pulled together in a day. The Red Cross was handing out emergency buckets, there were counselors available, they checked in all the items and only allowed the cash to be given to a person in charge and there were rows of shopping bags filled and ready to be picked up by folks that needed them.

How lucky are we to live in such a wonderful giving community. I also feel very proud that not a single tomato or plum was damaged in the stuffing of the rig. I really don't think another item would've fit.

Thank you and the folks in Estacada thank you so much!

An Opinion from our Neighbor Ras

9/21/2020

This is in response to the political sign removal(s). The Skyline community has always been blessed with a history of varying political opinions. Tolerance of varying ideas has always been high, and respected.

We must take note, the Skyline area has been temporarily transformed by the closing of Cornelius Pass rd. with Tributaries to both Highway 30, and Highway 26 bringing many more people with varying political opinions, into the area, that have no direct attachment to the area nor it's residents. It may be easier to suspect a sign removal from an outside entity. So please, along with mailboxes, yard signs, and anything else precious to our neighbors. Be diligent to any suspicious activities of your neighbors. As we are neighbors.

One precious thing that politics cannot separate us from.
